Member for Castle Hill
Minister for Multiculturalism and
Minister for Disability Services

MEDIA RELEASE

7 May 2018

GREEN SLIP REFUNDS AVAILABLE NOW

More than 18,799 motor vehicle owners across Castle Hill have claimed their CTP Green Slip refund, with almost 75% of local vehicle owners still to claim their refund before 30 September 2018.

The NSW Government last year overhauled the CTP Green Slip Scheme to create a more affordable, lower cost scheme. In addition to lower premiums in 2018, the Government is providing partial refunds to the owners of vehicles across the state with insurance premiums calculated based on the cost of the old scheme.

Minister for Finance, Services and Property Victor Dominello said that, as a result of the Government's reforms, over \$1.45 million will be returned to vehicle owners across the Castle Hill Electorate. The average refund is \$58.68.

"The new CTP scheme is delivering a big win for motorists through lower premiums, greater protections for those injured on the road and refunds on premiums paid during 2017," Mr Dominello said.

Member for Castle Hill Ray Williams MP said: "The new CTP scheme is delivering significant savings for motorists. The average Green Slip price this year across Sydney areas will be \$553 down from \$710 projected without reform, this represents a saving of \$157."

Eligible motorists with a MyServiceNSW email account will receive an email advising them of their refund in the coming weeks. The refund will be processed through their MyServiceNSW account and paid into a bank account of their choice. Vehicle owners who do not have a MyServiceNSW account can check online if they are eligible for a refund (www.service.nsw.nsw.gov.au/greensliprefund) or by creating an account between 7pm and 7am.

Refunds will be available until 30 September 2018. This is one of a raft of NSW Government measures helping to ease cost of living pressures for households. The Government has also introduced free car registration for regular toll users, cheaper hospital car parking, and the FuelCheck app.

Refunds will be available online at service.nsw.gov.au/greensliprefund during the evening from 7pm until 7am from Monday to Saturday and all day Sunday.
